Once you complete setup,
there are three ways
to activate emergency
alert:

- Press the power button
five times in five secs
- Press + hold the screen
of the calculator
- Press the Alert button
from the settings screen

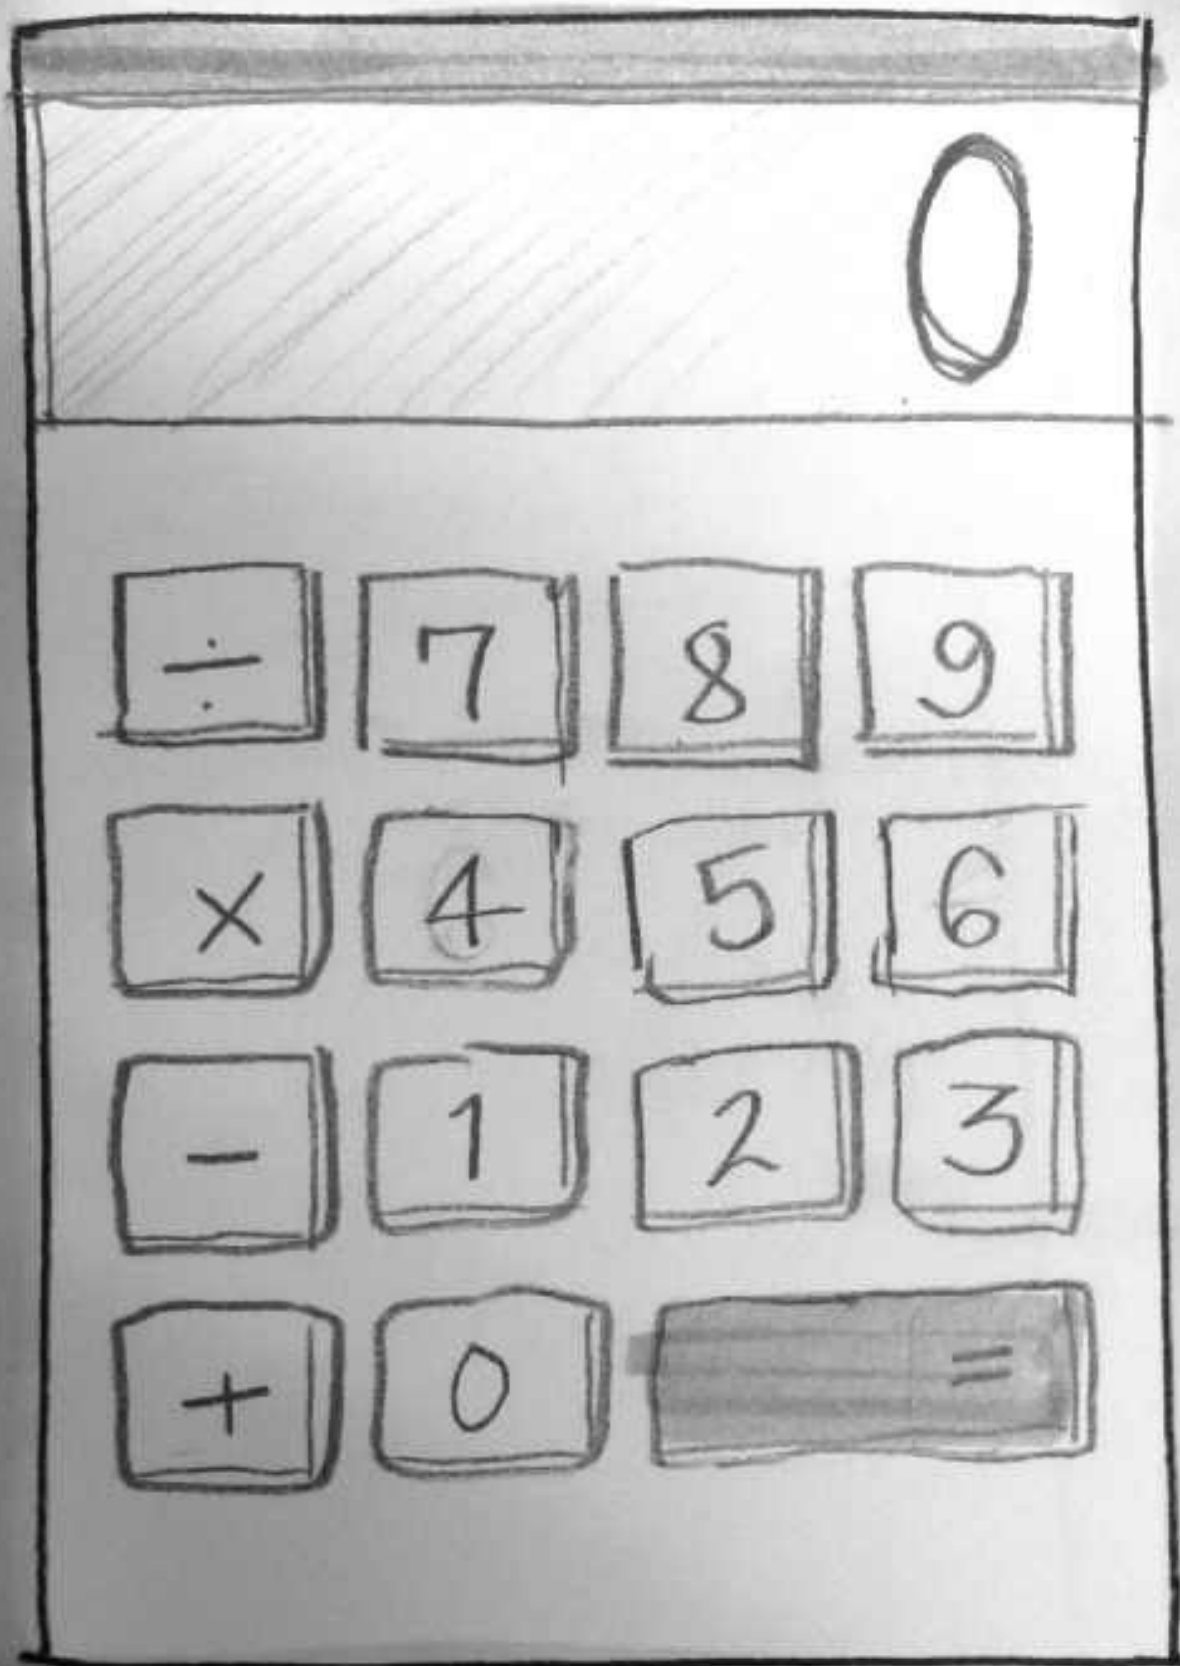

For security, this app will disguise itself as a calculator. Next time you load the app, press + hold the equals button and you will be prompted to enter your passphrase to enter the app.

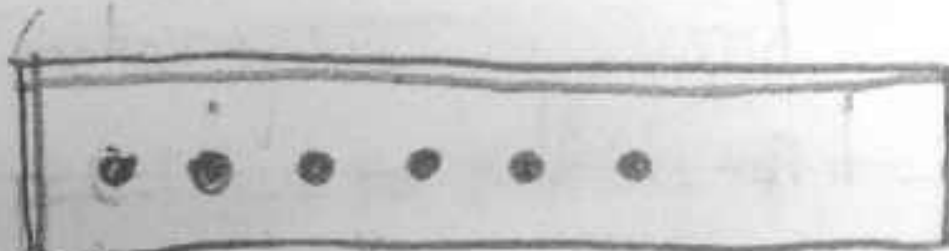

press & hold
for five secs.

Finish & activate disguise

Enter your password
