	Activation		✓	✓
	Cancel button		✓	✗
Data Erasure	Cancellation PIN		✗	✗
	Standby function using hardware button		✗	✗
	Remove data		✗	✓
	Sign-out of all apps		✗	✗

Multiple Languages?  
Speed deemed more critical than security (has implications)  
Needs to be a lo-fi phone app and internet options are less important

**Notes**

No deterrence features

Would like meta data

Yes, maximum 6 messages for in the Clear

Need to improve trade-off between easy activation v accidental use

Needs further investigation

Has been built and can be combined with Panic Button functionality

Needs further investigation
